\$Spom. Ok question. Why would @AlexDelarge6553 want to buyback shares if you say spom is a pump and dump. Thats not how it works. Unless you agree **\$Spom** is valuable enough to hold shares

My second buy of \$tsnp today averaging up
embarrassed to say I only hold 100k shares in total from
my original 2 million! Profits must happen on rips but
these under \$1 dips are gold! Ill be adding more! \$tsnp
team is great ! And the future is bright!

People say Alex you do to many plays!! Yes I do! 98
holdings only 3 big boards 85% of my account. 73 of
my 95 otc plays are free shares. My list of 10-15 are to
help other traders to give options! My must owns are
current runners! We all have our agendas! I can never
say sell.

Traders please stop asking if I still own a stock! It's annoying I never say sell or sold. For obvious reasons. I've never asked a trader that question.
